- E. Students who are willing to take a leave for pregnancy, birth delivery, and nurturing need to submit an "육아휴학 (leave for nurturing) and should submit relevant document (duration : within 1 year, the period not included in the general leave of absence)
- F. Applications can be made through "종합정보시스템 (Comprehensive Information System)" → "대학원 (Graduate School)" → "휴학/복학/자퇴 (leave of absence/return from leave/drop out of school)".

#### 9. Registration of changes to personal information and contact information

If there have been changes related to your personal and contact information such as residential address, occupation, phone numbers, etc, you should change them on the "종합정보시스템 (Comprehensive Information System).

Keeping your contact information up-to-date is essential for doctoral degree program students. Doctoral students are required to register for research study after completion of their coursework. In order to receive a tuition bill for research study, students must ensure that their contact information is up-to-date. Research study is charged at about 5% of regular tuition and must be completed at least once and to a maximum of four times.

#### 10. Guidelines for Research Registration

- **Eligibility:** Graduates who have completed the required course duration and earned the necessary credits
- **Registration Process:** Submit the "Research Registration Application Form 연구등록 신청서" and complete the registration within the registration period
- **Registration Fee:** 1/20th of the tuition for regular enrollment in the 4th semester

\*This covers procedures related to the submission of the thesis, library usage and book loans, use of laboratories and practice rooms, participation in graduate student academic research groups, and the issuance of student IDs

- If research registration is not completed, thesis work cannot proceed. Therefore, graduates must complete research registration before proceeding with their thesis.
- **For International Students:** During the research registration period, international students are required to enroll in Daegu University's international student insurance. Please pay the insurance fee indicated on the research registration invoice.

#### 11. Language Requirements for the graduation of international students

- International students should qualify one of the following requirements before graduation.
- A. To pass TOPIK(한국어능력시험) Grade 4 or above (Grade 3 for the division of Art and Physical Education)
- B. To take the Korean Language Course designated by the graduate school and provided by the Office of International Affairs
- \*When there are such unavoidable reasons granted by Daegu University President

#### 12. Other

- A. Timetables will not be distributed individually and can only be checked at the Graduate School Homepage.
- B. To enroll in Supplementary Units (보충과목), students must submit a "Recognition of Supplementary Unit (보충과목) Credits" form. Approved transfer credits will be deducted from total credits required.
  - For example, if 3 credits are approved and recognized as supplementary transfer credits in a master degree program students then just 3 credits remain to be completed.
- C. For more detailed information about thesis writing, please refer to Graduate School thesis regulations as well as the general thesis writing guidelines at the Graduate School homepage.

#### **Student ID Cards**

- 1. Application period: Beginning 2025. 3. 4.(화)
- **2. Application method:** After completing the "Student ID Card Application" form (check student ID number at the "중합정보시스템 (Comprehensive Information System)"), students must submit their application to the Daegu Bank branch located on the 1st floor of Seongsan Hall.
